

Emerald Greens is excited to announce we are going to host the 2nd Annual Father Son/ Daughter tournament in 2020. It will be a two-person scramble format just like the pros do in Orlando. The date is going to be the Sunday before Father's Day, Sunday June 14, 2020.

The cost will be \$140 for the twosome with up to a \$2400 payout to the randomly winning teams. This will be a great tradition to start with your son or daughter and father. If you have another father son/daughter that you would like to play with just indicate that on the registration form.

You can register going to our web page at emeraldgreensgolf.com or by filling out the registration form or email events@emeraldgreensgolf.com and request a registration form. Start a great tradition with a loved one for years to come.

There will be a limit of 72 of two-person teams.

Mail registration with check to
