

Emerald Greens is excited to announce we are going to host the 3rd Annual Father Son/ Daughter tournament in 2021. It will be a two-person scramble format just like the pros do in Orlando. The date is going to be the Sunday before Father's Day, Sunday June 13,2021.

The cost will be \$140 for the twosome with up to a \$2400 payout to the randomly winning teams. This will be a great tradition to start with your son or daughter and father. If you have another father son/daughter that you would like to play with just indicate that on the registration form.

You can register by filling out the registration form at this link <https://foreupsoftware.com/index.php/booking/19202/#store/passes/1575843> or email events@emeraldgreensgolf.com and request a registration form. Start a great tradition with a loved one for years to come.

There will be a limit of 72 of two-person teams.

Mail registration with check to
